WORDS OF ENCOURAGEMENT

In Colossians 4:2 Paul encourages us to devote ourselves to prayer. Why? Because on our own we tend to fail! It is one thing to know what God commands us to do, but it another to actually do it! As we have seen God calls us to love our wives, teach our children, work hard for our employer. But the key that God has given us to accomplish those things is prayer! Through prayer we can receive the power of the Holy Spirit to live for God!

To often in life we only pray when things are falling apart. Why wait till everything has gone wrong? Pray while things are going right! That way we keep our eyes on Jesus and will find we are the spouse, parent and employee God desires us to be!
