Religion *or* Relationship?

"You search the Scriptures, for in them you think
you have eternal life; and these are they which
testify of Me. But you are not willing to come
to Me that you may have life."

John 5:39-40

Welcome!

We are so blessed that you are able to join us for this year's Children's Ministry Conference. We pray that you will be blessed, encouraged, and challenged.

The conference theme this year is, "Religion or Relationship?" It seems that over the last 20 years, ministry to children has improved with better curriculums, trainings, programs, etc., and yet we are seeing the growing problem of many youth walking away from their household faith.

There are different reasons for this, but it seems that churches are doing a "good job" in teaching children and youth the "religion" of Christianity. But, Jesus did not die for religion; He died to pay the penalty for our sin to bring us into a close personal relationship with Him.

We tend to teach the children how to be "little Pharisees" without realizing it, by stressing the accumulation of Bible knowledge, but never coming to the true knowledge of Jesus Christ. This then, leads to religion, and when the children get older, they may not see the difference between this religion called Christianity or any other religion. "You search the Scriptures, for in them you think you have eternal life; and these are they which testify of Me. But you are not willing to come to Me that you may have life" (John 5:39-40). The children need to understand, not only the importance of what God has said in the Bible, but how to meet with Him personally.

Our prayer for each of us at this conference, is that we will be enabled to understand the difference between religion (knowing information about Jesus), and relationship (KNOWING Jesus); that each of us will truly KNOW our Lord and fellowship with Him, not being content with just learning more facts about Him, but our contentment would come from being found in Him and abiding in Him. As we walk in fellowship with our Lord, we will see God communicate to the precious children in our classes the joy of knowing Him by experience, having a personal up-close relationship with God.

In Christ,
Pastor Larry Enterline

This day has been set aside for you! Our heart's desire is that you will have a relaxing, yet profitable day filled with ideas you can use with "your" children as you minister the love of Jesus to them. We pray you will be renewed and encouraged and have the opportunity to fellowship with others who are also called to minister to these precious little ones. May you have a blessed day in Jesus!
