## **Pastor Brad Lambert**

Brad Lambert has been the Pastor at Calvary Chapel Living Hope since 1995. Before going into full-time ministry he spent 13 years in the public school system as a teacher, administrator, and counselor. After leaving public education, Brad entered into full-time ministry in 1991 as an assistant pastor, counselor and later as the Director of Calvary Chapel Bible College Murrieta. He has been married to his wife Diane for over 30 years and has two children, Beth and Brandon.

## **Pastor Clark Van Wick**

Clark Van Wick grew up in Orange County, California. Although he received salvation as a young boy, it was not until 1982 when he truly began living for the Lord. It was also at this time when he met and married his wife, Sally. Clark and Sally became part of the fellowship at Calvary Chapel Costa Mesa, where they grew in the Lord, and began serving in the Children's Ministry.

In 1989, Clark, Sally, and their two sons moved from Orange County to Temecula, where the Lord put it on Clark's heart to attend Bible College in Vista. Simultaneously, the Lord opened the door for Clark to lead a home Bible study. It began as a small group of people meeting to study the Word, and share Christ's love with one another. However, within a year, the once small group had grown substantially, and group members asked Clark to change the meeting day to Sunday, and become their pastor. This was the most humbling experience of Clark's life, but he accepted, knowing this is where the Lord called him. Shortly thereafter, the property for Calvary Chapel Bible Fellowship was purchased in Temecula Wine Country, where the congregation meets today.

Aside from pastoring the Bible fellowship, Clark is also an instructor at the Calvary Chapel Bible College in Murrieta, California, and often speaks at conferences, events, and retreats. Clark has a passion for Israel, and leads a group of pastors and congregation members through a Biblical tour of the Holy Land twice a year. In his spare time, Clark enjoys studying the Word, surfing, and spending time with his grandchildren.
