The Dead Sea...

This tour is designed specifically for those who wish to grow in their relationship with the Lord and His Word. It is also a unique opportunity to experience the enjoyments of the Israeli's by spending a few nights at the Dead Sea to enjoy time at the Dead Sea Spa!

People travel from around the world to slather themselves in the nutrient-rich mud of Israel's Dead Sea. The heavy concentration of over twenty different minerals is believed to ease aching joints, reduce fluid retention, and relieve skin problems such as eczema and psoriasis. High levels of calcium, magnesium, bromide, potassium and sulfate make the Dead Sea the biggest, widest, natural spa on earth.

We will be afforded the opportunity to experience a "Dead Sea mud bath" which promises the following benefits:

- ~ Improved blood circulation and natural skin generation
- ~ Thoroughly cleansed skin in which fine mud grains remove dirt particles, impurities and toxins
- ~ Proven effective relief for skin disorders.
- ~ Moisturized skin that helps with natural skin hydration.
- ~ The appearance of more youthful, healthier skin.
