WORDS OF ENCOURAGEMENT

"And which of you by worrying can add one cubit to his stature." Luke 12:25

Oh how often we worry! But it is an important reminder for us, that worrying does nothing for us! There is no benefit in worrying, except that it may lead us to solve the problem we are worrying about. What I like is that scripture tells us to not take on our problems alone, but to bring them to God. I pray that all of us would cast "all of [our] cares upon Him, for He cares for you," (1 Peter 5:7). Whatever difficulty you may be going through, whatever stress may be in your life, I pray that you handle it the way God asks. By knowing that He loves you, He cares for you, and He desires that you bring difficulties to Him.

May God's peace be with you this week!
