WORDS OF ENCOURAGEMENT

The book of Exodus is filled with practical applications for us to gain insight. From the birth of Moses to the "burning bush," and even the crossing of the Red Sea in chapter 14. Remember when the children of Israel saw the Egyptians coming after them, they fearfully cried out to Moses, "Why have you so dealt with us, to bring us up out of Egypt? For it would have been better for us to serve the Egyptians than that we should die in the wilderness." Moses said to the people, "Do not be afraid. Stand still, and see the salvation of the Lord, which He will accomplish for you today". Those words should make us want to jump up and shout "Hallelujah." The same God who parted the Red Sea to deliver His people is the same God who promises to deliver us.

The next time things aren't looking too hopeful, and you can't seem to keep your head above water ... remember "Do not be afraid. Stand still, and see the salvation of the Lord, which He will accomplish for you today."

Looking forward to serving with you
- Pastor Ricco and Mena Gomez, Men's Ministry
